

Bolt Down In-Street Pedestrian Crossing Sign SKU #'s: R1-6-BD, R1-6a-BD, R1-6b-BD, and R1-6c-BD)

Our portable in-street pedestrian crossing signs are made with vivid fluorescent yellow-green reflective material to draw attention to crosswalks. This sign is double sided and bolts down to the street for permanent installation. A portable version of this product is also available. The sign is printed on both sides. The base permanently attaches to the roadway surface with the provided anchor bolt kit.

Visit www.RiceSigns.com for product videos, additional information, and to order.
